Superintendent Tom Moore reported to the Board on federal funding under ESA for exams for students of free and reduced lunch. This year the State of Connecticut will be funding this and the following year we will be using a Title IV grant. Next Monday, Charter Oak International Academy will be recognized as a present and future architecture school. Superintendent Tom Moore also thanked Tracey Gove, Police Chief of West Hartford, for his service to the West Hartford community.

*Staff Communications  
and Reports  
Superintendent's Report*

Dr. Andrew Morrow, Assistant Superintendent, presented to the Board on the early release package of plans and specifications for Hall High School Science Laboratory Classrooms. Dr. Morrow was joined by: Mr. Doug Roberts, JCJ Architecture; Mr. Chris Cykley, Construction Solutions Group; and Mr. Robert Palmer, Director of Plant and Facilities. The team spoke regarding changes to the design from a two-story to a one-story building, noting this will not impact the educational goals for the project. Community education and feedback meetings were held to address any concerns. In addition, the plan was approved by West Hartford TPZ with a 5-0 vote.

*Approval of Early  
Release Packages of  
Plans and Specifications  
for Hall High School  
Science Laboratory  
Classrooms*

Mr. Robert Palmer spoke on the first of three phases of the project. Mr. Doug Roberts spoke on the existing site changes that will be made including 14 next generation science classrooms, enhancements to the bus route for a more direct access to buses which will provide a safe environment for students, the changing of parking spots to provide adequate space for busing, and updated science classrooms with shared prep rooms. Also mentioned were the exterior elevations and images of new science classrooms. FUSCO, as the selected Construction Manager for the project, will provide site logistics and provide a safe environment to students during construction. The Board asked questions regarding the early release package, the temporary bus lane, the walkway area to the cafeteria, and the new completion timeline. The Board also asked questions on the impact on students during the construction, provisions on student updates, as well as amount of space for growth.

Ms. Blanks moved and Mr. Zydanowicz seconded:

*Routine Matters*

THAT the Board of Education approve the minutes of the Regular Board of Education meeting of November 8, 2017

*Approval
