Mr. Putterman also shared the support and confidence expressed by Dr. List through a written statement in her absence.

Ms. Katz moved, seconded by Mr. Zydanowicz:

THAT the Board of Education appoint Mr. Tom Moore to the position of Superintendent of the West Hartford Public Schools commencing July 1, 2014 at an annual base salary of \$197,000

The motion passed unanimously.

The Board took a brief recess at 7:38 p.m. and the meeting resumed at 7:41 p.m.

Mr. Putterman extended congratulations to those members successfully winning the election.

In Dr. List's absence, Mr. Moore reported on the excitement regarding the athletic field lights being operational and the Laramie Project performances at both high schools.

Mr. Moore provided an introduction for the presentation of the design concepts resulting from meetings with and input from the architects, staff, parents and community members. Mr. Chip Ward stated the purpose of the presentation was to show design concepts from both site layout and building perspectives to gather feedback to assist in the continuing development of further designs. The general timeline for presenting the concepts and finalizing a design plan was shared.

The team from Perkins Eastman was introduced. Joseph Costa, Principal/Architect, Fritz Morris, Project Manager and Mike Cegan, Landscape Architect discussed some of the site design issues, including parking reviewed the architectural process and presented three design concept options. They emphasized the designs reflected the feedback and requests received included the incorporation of elements from the IB curriculum philosophy, preservation of the existing park-like setting and establishing distance from the streets. The landscaping designs for the playscape and playground, parking and drop-off areas and the impact on the existing, mature trees were explained. The team reviewed the potential benefits and drawbacks of each design option and all members welcomed the reaction, feedback and questions and concerns of the Board.

Board members praised the comprehensive and innovative design options. Concerns were expressed about emergency vehicle access,
